

# Job Description

## Company Overview:

Edu-versity is a dynamic and innovative ed-tech firm dedicated to transforming the educational landscape in India. As a leading player in the industry, Edu-versity aims to bridge the gap between college students and industry-based specialisations, providing them with the skills and knowledge needed to thrive in today's competitive job market.

We are powered by MNCs like Wipro, IBM, Microsoft, Cisco, etc., serving more than 1.5 lac+ students. Edu-versity is revolutionising the ed-tech space through our commitment to excellence by creating a seamless connection between college education and industry requirements.

Join us and be a part of this high-growth revolutionising journey.

Visit our website at [www.edu-versity.in](http://www.edu-versity.in) to know more.

## Responsibilities:

- Generate high-quality leads and convert them into valuable clients through effective cold calling and B2C Channel.
